Washington, D. C. 20505
Telephone: 351-6121 (Code 143-6121)

4 DEC 1975

TO: Mr. George F. Murphy, Executive Director
Joint Committee on Atomic Energy
U. S. Congress

George:

The House Select Committee has requested that the Agency provide copies of the prepared statement used in briefings of various congressional committees on the subject of Soviet strategic forces, etc., and the date on which the committees were briefed. We have complied with this request and are enclosing the data provided to the House Select Committee which pertains to your Committee.
